

AIRCRAFT MAINSHIP BATTERY - REBLOCKING REPLY CARD

The following reblocking information is to be completed by the operator within 14 days of battery reblocking and faxed to Securaplane Technologies, Attn: Product Support Department at (520) 498-4924. Failure to return the reply card may result in denial of future warranty claims. Upon return of the Reblocking Reply Card, a new 30-month in service warranty will be extended to the battery serial number reported effective from the date the battery was reblocked.
