DURUG®

Floor covering solutions

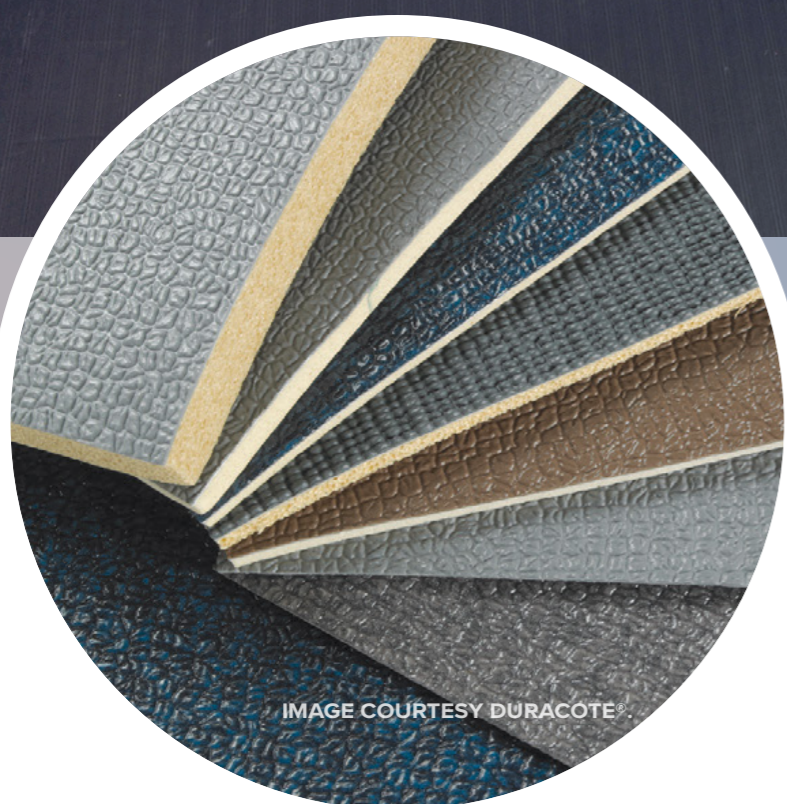

IMAGE COURTESY DURACOTE

CASP AEROSPACE IS AN AUTHORIZED DISTRIBUTOR OF THE DURACOTE® DURUG® HIGH-PERFORMANCE LINE OF FLOOR COVERING PRODUCTS THAT DELIVER EXCELLENT WEAR, COMFORT AND FLAME RESISTANCE.

DURUG® floor coverings are designed for both OEM and retrofit applications in aircraft and other modes of public transit. Besides their aesthetically-pleasing pattern design and colours, they are durable and scuff-resistant, with excellent anti-fatigue properties. DURUG® floor coverings are engineered with a tough, polymer top surface, and are available in a choice of closed-cell, non-absorbent foam underlays in both 1/8" and 1/4" thicknesses.

OVERVIEW

DURUG® Floor coverings

THERE WHEN YOU NEED US.™

FLOORING PRODUCTS CUSTOM COLOURS AVAILABLE

DURUG® is readily available in a variety of colour palettes : single colour, duotone (or tri-tone upon request). Duracote® laboratories offers the full spectrum of colours and can custom-match virtually any colour. Simply provide the Federal Standard Color 5-digit number, or Duracote color number, or a colour swatch.

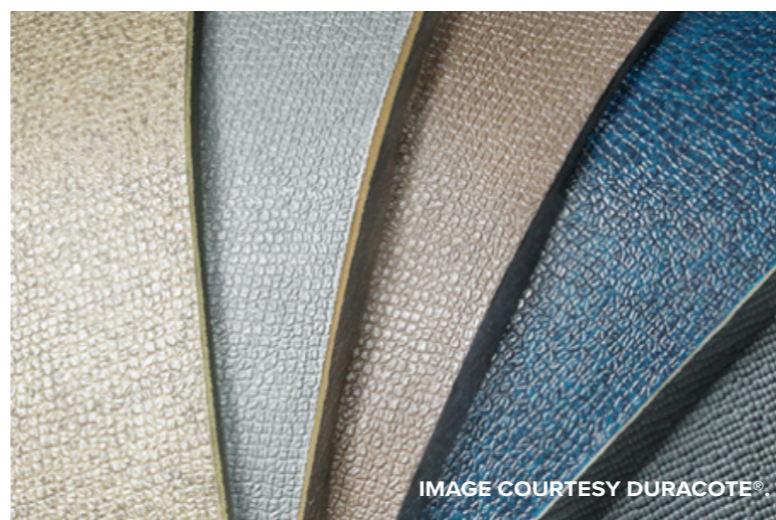

Custom colour matching in virtually any colour. Simply provide Federal Standard Color number, or Pantone® color number, or colour swatch.

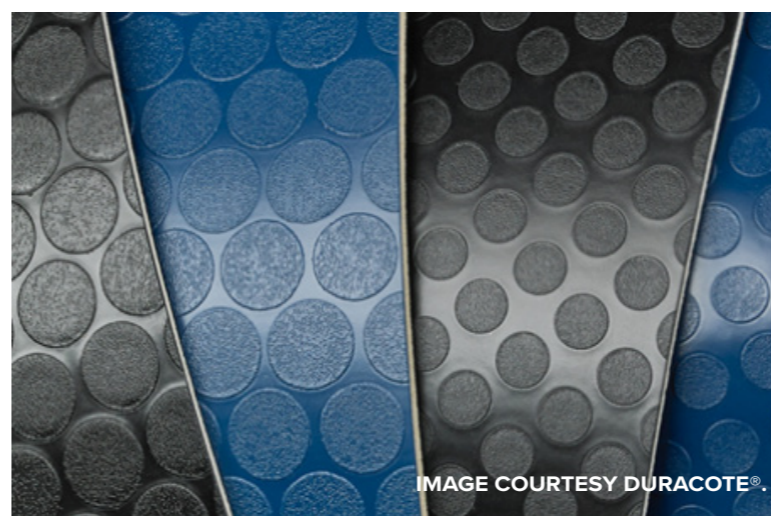

PRODUCT COMPLIANCE OEM-CERTIFIED FLEXIBLE MATERIALS

Manufactured to meet various Lockheed (LAC), Boeing (BMS), Military specifications - and major industry colour matching systems. Flame resistant, meets FAR 25.853.

DURUG® products adhere to strict quality specifications and certifications for all aviation markets. Duracote® exists to create performance materials that promote health and safety while upholding ethical practices and furthering material performance technology.

DURUG® Classic floor coverings are available with or without foam underlays. DURUG® is highly resistant to abrasion, water, most oils, chemicals, grease, and mildew.

Coin patterns (often specified for galleys and lavatories) are available in standard and custom colors.

**AS A CERTIFIED DISTRIBUTOR OF DURUG®
CLASSIC FLOOR COVERINGS,
CASP Aerospace is committed to providing
top-quality, after-sales service and to maintaining
the highest standard in quality control.**
