AIRCRAFT SAFETY AND LIFE SUPPORT EQUIPMENT

REPAIR • OVERHAUL • EXCHANGE • SALES

For over 50 years

CASP Aerospace has been specializing in the repair, overhaul, exchange and sales of aircraft safety and life support equipment.

Our product expertise includes engine, cargo, APU, lavatory and handheld fire extinguishers, slide and raft inflation cylinders, emergency air reservoirs, fixed and portable oxygen bottles, crew masks, flooring, and related equipment.

CASP is also a stocking distributor for SAFRAN Aerosystems and Securaplane sealed lead-acid batteries, aircraft security systems and cameras.

OVER **50**
YEARS
